SUMMARY

Worked as QA Engineer, have 5.6 yr. experience in Software testing, where I handled all domains testing such as Web applications, Android apps, Ios apps, Mac applications, also responsive applications and OTT application. Also have hands on experience in API testing and performance testing. I was handled stakeholder calls, Business analysis activity and Team Leader activity.

EDUCATION

Course	College	Percentage
BE	SCEM Mangalore	68
Diploma	KPT Mangalore	80
SSLC	MHS Kapu	88

SKILLS

- Manual Testing
- Automation Testing
- Performance Testing
- Database Testing
- OTT Testing
- API Testing
- Test Plan doc Creation
- Scrum call QA phase handling
- QC check for designs
- Test case creation
- Test Detail documentation
- Traceability matrix report
- Bug report
- Build release note doc
- Team handling
- Bug resolution Planning and meeting

Manual Testing

- UI/UX Testing
- Smoke Testing
- Sanity Testing
- Regression Testing
- System Testing
- UAT testing
- Production Testing
- Shift Left Testing
- Alpha testing
- Compatible Testing
- Cross Browser Testing
- Functional Testing
- Non-Functional Testing
- Integration Testing
- Exploratory Testing
- Load Testing
- Stress Testing
- Security Testing

Automation Testing

Using selenium with python in playwright tool, have hands-on experience approximately 8month

API Testing

Conducted Api Testing Using below tools

- Postman
- Newman
- Jenkins
- JMeter
- Hopscotch

Performance Testing

Conducted Load and stress Testing using below tools

- JMeter
- Load runner

Application-level Experience

- ✓ Tested Hybrid Applications
- ✓ Tested Native Applications
- ✓ Tested Responsive Applications
- ✓ Tested Web applications
- ✓ Tested Mobile (Android+Ios+Tab) Applications
- ✓ Tested TV, OTT applications

Known Tools

- | | | |
|--------------|----------------|------------|
| • Postman | Hopscotch | Test-rigor |
| • JMeter | MySQL | Test-Link |
| • Jira | OminiBUG | Playwright |
| • Xray | SelectorHub | |
| • Bugzilla | Charles | |
| • Eclips | Json formation | |
| • Immuni Web | Blazemeeter | |
| • NanoKDP | Load Runnner | |
| • OWSzap | Browserstack | |

Methodology

I Worked under **Agile methodology** and **spiral model**

Communication Mode

Used Tortoise SVN and FTP Transfer server to Exchange the files with customer and maintained all QA activity in these local server

Chat GPT

Used Chat GPT to create Test case and write SQL commands and Create the Test data and find the API response and also convert and get some piece of code

Experience [Total Exp: 5.6YR]

Robosoft Technology Pvt Ltd Udupi

QA Engineer (Level-3) –02/2020 to 05/2024

Role [As a QA Engineer and QA lead]

Conducted functional, performance, integration and regression tests on WEB, Android, IOS, MAC and Tab and cross browser

- Have Experience in OTT platform Testing
- Generated reports on quality metrics like test coverage, number of defects.
- Reviewed application design documents to ensure comprehensive test coverage.
- Created detailed bug reports with clear steps to reproduce the issue.
- Participated in sprint planning meetings and provided feedback from a QA perspective.

- Elecelectronics subjects class taken

Expertise

Testing Type	Tool
Manual	All domin
API testing	Hopscotch, postman
Performance testing (Load and stress)	JMeter, load runner
Data creation	Chat-GPT
Selenium	TestNG, cucumber BDD, Selector HUB, playwright
Database	MySQL, putty, mango DB
Defect tracking	Jira, Xray, Bugzilla, Test-Link
Log Finder, mobile responses	Charles
Google analytics	Ominibug
Test Management tool	Test-rigor, Test-link, Xray, Jira, Test Link, Excel

Achievements

- Got 11 badge or awards from seniors and managers, below attached screenshot
- Handled 20+ Project successfully and in 7 projects handled QA team as Test Lead

Handled Projects

- E-commerce
- Banking applications
- Pickup and delivery apps
- Admin applications
- Mutual Fund applications (Both indian and US based)
- International money exchange app
- E-KYC applications
- Retail and service apps
- OTT application such as entertainment app
- Health Insurance

Personal details

DOB : 01/01/1996

Language : Kannada, Tulu, Hindi, English, Tamil, Telugu, Lambani

Marital status: Married

Father Name: Annappa Nayak

Address: sinchana complex maller kombagudde kapu, kapu taluk udupi distric 574106

Declaration

I hereby confirm that above mentioned details are correct up to my knowledge
